4. Poll workers are required to *lift and assemble* the voting equipment. You must have *good eyesight and hearing*. You are required to work a *long 14 hour day* (Poll workers cannot leave and return to a polling place). You must be able to read and write the English Language. Are you able to perform these functions? Yes _____ No _____

Please Note: The number of poll workers for an election is determined by the size of the election and the expected turnout. Poll workers are chosen to work a specific election by their availability, willingness to travel, and the number of workers needed. While we like to keep an election board constant throughout an election cycle, sometimes this can not be done. Additionally, in an effort to keep the cost of an election down, traditionally low voter elections (Primaries, Special Elections, etc.) will have fewer number of workers. **If you are selected to work for an election, you will be notified by mail.**

By signing this application, I agree to comply with all Florida Election laws including attendance of mandatory poll worker training classes. I certify that I am a registered voter in Manatee County and that I can read and write the English language (F.S. 102.012 (2)).
